

Boogie Night

Disco Costume Party at the Contemporary Art Center

Saturday, August 11, 7-11:00pm

Admission: \$12.00 non-members, \$8.00 CAC and CIAO members

We invite everyone back to the days when disco music topped the charts, *The Hustle* was all the rage and it was ok to catch *Boogie Fever!* DJ JuanGoblin will spin the greatest hits of the Disco era from his vintage vinyl collection to the backdrop of a disco ball and *Car Wash* projected on the wall.

Come dressed in a disco costume for a chance to win a grand prize. Everyone with a costume will be given a number. Everyone can vote by ballot for their favorite costume. See photos from the event on the Contemporary Art Center's Facebook page or website www.peoriacac.org. Last year's 1st place winner is shown at left.

At the start of the evening, Abraham Ghantous of *Body Fitness* will lead us in a short lesson of *The Hustle Line Dance* style. In addition, to help prepare to impress, *The Hustle for Couples Dance Class* will be offered **Wednesdays, July 25-August 8, 7-8:00pm**. More about this class below.

The public is invited to this BYOB event so you may not only bring your alcoholic beverages but also bring your own food. Partiers may also purchase and bring up food as carry out and unopened drinks from the Rhythm Kitchen on the 1st floor of the building. CAC will not provide food or drink, except for bottles of fruit juice, water and cans of soda all for \$1.00.

The Hustle for Couples Dance Class

To get everyone prepared for *Boogie Night: Disco Costume Party*, *The Hustle for Couples Dance Class* will be offered **Wednesdays, July 25-August 8, 7:00-8:00 pm** in the 2nd floor gallery of the Contemporary Art Center in three 1-hour sessions. Cost of the class is \$30 members or \$40 nonmembers. If the minimum of six students is not reached, the class will be canceled. No partner is required to register for the class. Registration deadline is July 18. **Students may register over**

the phone with Visa, MasterCard, American Express or Discover Card or come in during business hours: Tuesday-Saturday, 11-5:00 and pay with credit card, cash or check.

Class Description: In three lessons, beginners can learn the basics of *The Hustle*, the dynamic and flashy dance craze originating in 1970 from NYC dance clubs like *Studio 54*. The foot-work of the dance is quite simple and the pattern structure is attainable relatively quickly. This makes *The Hustle* one of the top learned dances at studios in the United States. The moves of this partner dance can be applied to many types of music and is the fastest way to impress on the dance floor. The energetic dance style spawned Van McCoy's hit song, *The Hustle*. The 1977 movie *Saturday Night Fever* also capitalized on the popularity of this dance.
