**Featuring South Side Cindy & the Slip-Tones**  
**October 26, 5:30-7:30** *Preston Jackson Gallery*  
Admission: \$10/nonmembers, \$7/members

This will be a Special Halloween Live at the Five Spot. Special prizes for the best costumes! We encourage everyone to come in costume!

**About the Band:** South Side Cindy and the Slip-Tones are one of the most vibrant groups to come out in recent years. They are loud, rowdy and fun! They tackle pop, rock, blues and soul covers and originals but color them so they seem of the same genre. Cindy Mahieu has a smooth and dominating voice that can reach inside you to sooth your personal spirits or instantly raise an audience to the edge of the stage to soak in her energy. Together now for six years, the group has achieved a musical unity to which few bands can aspire.
